### Kevin Reeves

**BSc, MSc (Construction Law and Arbitration), MRICS, MCI Arb**

**kevin@reevesow.com**

Kevin Reeves has over 25 years of experience in the construction industry. He is dual qualified, holding a master's degree in construction law and arbitration and a degree in quantity surveying. He is also a UK Chartered Quantity Surveyor. He combines this technical and legal knowledge to provide contract and commercial support on a broad range of projects including commercial, residential, civil engineering, rail, power generation, power transmission, water treatment, oil and gas. His special interest is in the investigation of project delays, including extension of time, prolongation and disruption claims, an area in which he regularly advises clients and gives talks. Kevin has acted as expert witness on issues of delay and quantum, giving expert testimony on a number of projects.

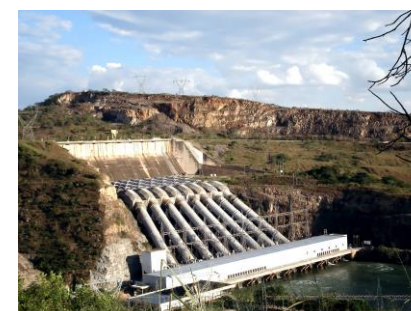

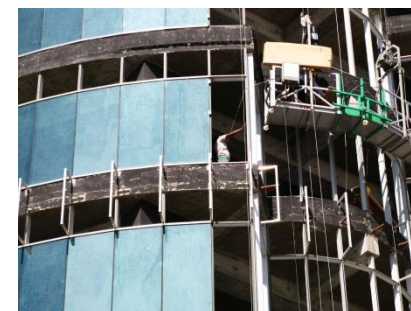

### Ow Sau Pin

**BSc(Hons), LLB(Hons), MRICS, MMIArb**

**saupin@reevesow.com**

Sau Pin has over 15 years of experience working on complex building, civil engineering and oil and gas projects in Malaysia, Thailand, Singapore, Indonesia and Hong Kong. She is dual qualified with degrees in both law and quantity surveying. She is also a UK Chartered Quantity Surveyor. She supports clients in their day-to-day contract management, preparation of extension time and monetary submissions, carrying out delay analyses, drafting contracts and subcontracts, and providing practical advice and support on a multitude of other complex contractual and commercial issues. She also regularly leads teams preparing expert reports on matters of delay and quantum.

**Providing contract and commercial support to the construction and engineering industries**

## Our Company

ReevesOw is a specialist consultancy providing contract and commercial support to the construction, civil engineering, electrical, mechanical, petrochemical, oil, gas, rail, power and telecommunications industries.

Our services are customised to suit the distinct needs of contractors, subcontractors, developers, O&G companies, lawyers, insurers and financial institutions in Malaysia and the Asia-Pacific region.

ReevesOw tailors these services to meet clients' particular needs, whether one-off advice for an extension of time claim, day-to-day support on a complex project, or any other contract or commercial support.

ReevesOw provides pragmatic and hands-on support, making sure clients' needs are fully understood in order to develop effective contract and commercial strategies while always maintaining a close attention to detail.
